

VERA Inc. Horse Lifetime Distance Award

VERA Inc. Distance Horse Awards are presented to horses who have reached significant distance milestones during their endurance career.

VERA Inc. distance milestones are achieved through successful completion of endurance rides at VERA Inc. affiliated events (including dual affiliate events).

Riders and owners of Endurances horses are encouraged to maintain records of their horse's distance achievement and to apply for the relevant distance milestone when this is achieved.

For this award, distance may be accrued in any weight division or combination of weight divisions.

Distance milestones are formally acknowledged at the following distances

1600km 3000km 5000km 6500km 8000km 10,000km

Upon receipt of your distance horse application, distances will be confirmed by the Point-score registrar and the award will be presented at the Annual Awards Presentation in the year of application and achievement listed in the Honour Roll on the VERA Inc. Website.
