

# Ownership of the Endurance Horse

## TRANSFER OF OWNERSHIP FORM

It is important that the correct person be registered as the owner of the horse to assist in the allocation of National and State distance and point-score awards as well as identifying the persons responsible for the horse should disciplinary actions need to be instituted.

### Process for Changing Ownership Details.

- When the sale of a horse with an AERA logbook issued occurs, it is the **responsibility of the purchaser** to notify the state body of the change of ownership.
- A transfer of ownership form must be completed and forwarded to the logbook registrar, together with the full fee and the logbook.
