

NOVICE HORSE LOGBOOK APPLICATION

2026

Complete this form to apply for a NOVICE horse logbook.

- Complete all pages of the NOVICE Horse Logbook application
- Horse Identification MUST be completed

HORSE IDENTIFICATION by a Veterinarian is not mandatory for a Novice Horse Logbook. If you choose to have Veterinarian complete the Horse Identification, you may also choose to microchip your horse. Advise your Veterinarian to supply and insert an ISO compliant microchip and ensure the Veterinarian records the microchip number in the Horse Identification. If anaesthetic is used to microchip insertion, the horse cannot compete at an AERA affiliated event for 6 days following insertion.

NOTE:

- Logbooks will not be delivered to rides.
- Standard Return: allow 14 days for processing and return on the Logbook.
- Logbooks will be mailed once ID information meet AERA requirements and payment is confirmed.

When emailing the completed form, send as either PDF or Word file. Photos of forms cannot be accepted.
